

PRIVACY POLICY

Effective Date: 01/March 2018

Your privacy is our prime responsibility!!

It is Bidium's policy to respect your privacy regarding any personal data; we may collect while operating our services on BIDIUM available at www.bidium.io. This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of the site. We use your Personal Information only for providing and improving the Site. By using the Site, you agree to the collection and use of information in accordance with this policy.

COLLECTION OF INFORMATION

Information You Provide to Us: while using our site, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you. Post messages to our forums or wikis or otherwise communicate with us. The types of information we may collect include your name, email address, username, password, location and any other information you choose to provide.

Information Collected by Cookies and Other Tracking Technologies: We may use cookies, web beacons (also known as "tracking pixels") and other tracking technologies to collect information about you when you interact with our Site or emails, including information about your browsing behavior on our Site. We use this information to improve our Site and your experience, see which areas and features of our sites are popular, count visits, understand campaign effectiveness and determine whether an email has been opened and links within the email have been clicked. We may also obtain information about you from other sources and combine that with information we collect about you.

How Information Is Used

We respect data protection principles and process personal data only for specified, explicit and legitimate purposes for which such personal data were provided. We primarily use your personal data to enable your use of BIDIUM and supply the services requested by you.

We may also use your personal data for the following purposes:

1. Respond to your comments, questions and requests and provide customer service;
2. Monitor and analyze trends, usage and activities in order to operate and improve our Site;
3. Analyzing our aggregate user data.
4. Advising you about updates to Bidium or related items; or
5. Providing you with information about services that are similar to the services used by you.

Cookies

Cookies are files with small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive. Like many sites, we use "cookies" to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Site.

Security

The security of your personal Information is important to us; but be advised that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Changes to This Privacy Policy

This Privacy Policy is effective as of (01/March 2018) and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page. We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy. If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a prominent notice on our website.
